## EXPERIENCE

---

### ACCENTURE

Atlanta, GA

#### Client Innovation Services Summer Analyst

*June 2023 – August 2023*

- Designed and strategized on origination projects to implement Gen AI using Accenture's thought leadership, capabilities, and assets for a top 3 airline, a Fortune 500 home improvement retailer, and a state public entity.
- Aided the development and Machine Learning training of Gen AI demos for the Innovation Hub including conversational AI/ChatGPT and Looking Glass.
- Created a story deck of client case studies and outcomes achieved to illustrate the Innovation Hub's capabilities, increasing business and illustrating expertise.

### BMW PLANT

Greenville, SC

#### BMW New Model Intern

*May 2022 – August 2022*

- Analyzed and updated process flow maps to identify bottlenecks and develop focused solutions.
- Evaluated Productive Maintenance (TPM) systems to ensure productivity and minimize downtime risk.
- Conducted data collection trials and presented analyzed data to implement optimized sound-dampening systems that decreased costs and aided employee ergonomics.
- Planned and coordinated with global teams to ensure build phase and launch deadlines were achieved.
- Accelerated new hire onboarding by organizing streamlined process flows and structured documentation.

## RESEARCH

---

### GEORGIA TECH

#### Global Leadership Living Learning Community

*Aug 2021 – May 2022*

- Researched the United Nations' sustainable development goals and completed white papers and project proposals to advance initiatives surrounding plastic waste reduction and improved job skill mapping.

## LEADERSHIP

---

- Professional Development Chair for the Institute of Industrial and Systems Engineers (IISE) – Organize recruitment and skill seminars for ISYE students and employers as well as the ISYE career fair.
- Wreck Camp NSTP Director – Facilitated new student adjustment to Georgia Tech through student camps surrounding personal development and social engagement on campus.
- Georgia Tech Alumni Association Ambassador - Serve as a liaison between Alumni, Staff, Students, and Guests representing Georgia Tech at events and tours.
- Georgia Tech Men's Club Volleyball VP and Athlete – Manage home tournaments, co-govern funds for budgeting, and ensure team readiness for competitions.
- D1 Women's Volleyball Team Practice Player - Mimic opposing team gameplay, participate in practices, and attend team film sessions.
- Delta Chi Associate Member Philanthropy Chair – Raised \$2100 for the Jimmy V Foundation during associate member semester by engaging with brands to collect product sponsorships.

### FOUNDER & PRESIDENT, NEXT GENERATION OCEANS

*June 2018 – Current*

- Founded a certified 501c3 raising \$15,000 through three beach volleyball tournaments with the goal of protecting the oceans and environment for future generations.
